SUNVIG PRESENTS THE KARAOKE KABIN

UNPRECEDENTED KARAOKE FUN

Singing in the privacy of a Karaoke Kabin, designed in the colors and style of your business and with a choice of over 30,000 songs. The Karaoke Kabin provides instant fun for everyone and is suitable for almost all locations; from shopping malls to holiday & theme parks, airports and bars. Order the Karaoke Kabin now!

KARAOKE SOFTWARE

The very best karaoke software is included

- Songs are automatically updated
- All songs are fully licensed
- Fees for collecting societies are covered by SUNVIG

SAFETY AND CERTIFICATION

The Karaoke Kabin is guaranteed fun, it's safety is also guaranteed by Sunvig. It is RoHS, CE & NEN1010 certified and built with name-brand components.

TOTAL EXPERIENCE

As an option, the Karaoke Kabin can be equipped with electronic privacy glass. With the touch of a button, the windows turn opaque creating a truly private karaoke experience.

REBRANDING

Our standard, Karaoke Kabin features a touchscreen control panel, LCD screen, two headphones and two microphones. In addition, the Karaoke Kabin can be personalised in several different ways

- Customize the colors of the Karaoke Kabin
- Place your company logo on the Karaoke Kabin
- Choose your own floor and chairs
- Compose a personal lighting plan

THE KARAOKE KABIN
CAN BE CUSTOMIZED
